

OMR Professional Retirement Annuity Cash Pn

Fund objective

The fund is invested in bank deposits and similar short-term investment, with the objective of obtaining the highest yield consistent with total security of capital. The underlying fund may be denominated in or hold assets in a currency other than Sterling. The performance of the fund may therefore rise and fall as a result of exchange rate fluctuations. The underlying fund invests in bonds or money market instruments (including deposits with banks or other financial institutions). The yield and/or value of the fund will fluctuate as interest rates change. There is a possibility of default, reducing capital values.
