# Fidelity Japan Trust PLC Ordinary ORD 25P

### What is the Fund's objective?

The Company aims to achieve long term capital growth by investing predominantly in equities and their related securities of Japanese companies. The Investment Manager will typically focus on those companies primarily listed on Japanese stock exchanges whose growth prospects are not fully recognised by the market (growth at a reasonable price). The Investment Manager is not restricted in terms of size or industry of the underlying entities in which it invests. The Company may also hold cash or invest in cash equivalents including money market instruments, and is able to use derivatives for efficient portfolio management, gearing and investment purposes. The Investment Manager must work within the guidelines set out in the investment policy.
