

Stewart Investors Asia Pcfic and Japan Sustblty B GBP Acc

What is the Fund's objective?

The Fund aims to achieve capital growth over the long term (at least five years). The Fund invests in shares of companies based in or where the majority of their activities take place in the Asia Pacific region. The Fund invests in shares of high quality companies which are positioned to benefit from, and contribute to, the sustainable development of the countries in which they operate. Investment decisions around high quality companies are based on three key points: (i) Quality of management. (ii) Quality of the company including its social usefulness, their environmental impacts and efficiency and responsible business practices. (iii) Quality of the company's finances and their financial performance. Sustainability is a key part of the approach. The Fund may invest up to 10% in other funds. The Fund may use derivatives to reduce risk or to manage the Fund more efficiently.
