

Aviva Pen BlackRock Consensus Pn

Fund objective

The aim of the Sub-Fund is to seek to provide capital growth and income for investors by tracking the performance of the Composite Benchmark Index. The weightings allocated by the Sub-Fund to the Indices comprising the Composite Benchmark Index will be updated quarterly based on the latest monthly survey of the ABI Mixed Investment 40-85% Shares Pension Sector. The Sub-Fund seeks to achieve exposure to a mixed portfolio consisting of equity securities of companies listed in the UK and equity securities of companies listed in developed overseas markets, fixed interest investments (including but not limited to, gilts, overseas government bonds and corporate bonds), money market instruments, deposits, cash and property (in the form of real estate investment trusts (REITs) and listed real estate companies). Exposure to equities will make up no less than 40% and no more than 85% of the portfolio at any one time. In pursuing this objective the Sub-Fund will invest in units of collective investment schemes, (including other suitable Sub-Funds of the Scheme and schemes operated by other Aviva Group entities and group entities of the Investment Manager). The Sub-Fund may also invest in permitted money-market instruments and permitted deposits. Derivatives and forward transaction...
