

# Clerical Medical Balanced Pension

## Fund objective

To provide long-term capital growth through exposure in shares, bonds, property, and cash. Between 40% and 80% of the Fund will provide exposure to shares. This may include UK, overseas and emerging market companies. Between 10% and 50% of the Fund will provide exposure to bonds. This will include UK and overseas investment grade corporate bonds and also government bonds. It may also include high yield corporate and emerging market bonds. Up to 15% of the Fund may provide exposure to UK and overseas property. Investment in these assets is through a range of index-tracking and actively managed funds including those considering Environmental, Social and Governance factors. Index-tracking funds aim to match their benchmark return. Actively managed funds aim to outperform the market. The Fund may also utilise derivatives in pursuit of its aims. The Fund's asset class allocations are based on Scottish Widows' medium to long-term outlook. These allocations may be reviewed and updated periodically. The Fund may invest in different assets over time.
