

Clerical Medical UK Property Pension

Fund objective

To provide a return based on the combination of capital growth and income, by investing in UK commercial scale properties. The Fund is actively managed by the Fund Manager who chooses investments with the aim of outperforming the MSCI UK Quarterly Property Index (the "Index") by 0.5% per annum on a rolling 3 year basis, before deduction of fees. At least 70% of the Fund will invest directly in commercial scale properties in the UK market, aiming to achieve capital growth via property development and market appreciation, in addition to earning income via leasing of its property assets, either directly or indirectly through property shares or other funds (including those managed by SWUTM and its associates). The Fund will invest in a diversified range of commercial scale property including: office buildings, shopping centres, retail units, industrial units, warehouses, land and other property types of suitable commercial scale. The Fund may also invest overseas. Due to the nature of property assets the Fund may hold a portion of its assets in cash, and cash-like investments, and/or exchange traded property-related shares to assist in meeting the liquidity requirements of the Fund. The MSCI UK Quarterly Property Index measures total returns of directly held standing property ...
