

OMR M&G Feeder of Property Portfolio

Fund objective

The OMR M&G Feeder of Property Portfolio fund invests solely in the M&G Feeder of Property Portfolio fund, a sub fund of M&G Investment Funds (3), a UK authorised Open Ended Investment Company, managed by M&G Securities Limited. The underlying fund aims to provide a higher total return (capital growth plus income), net of the Ongoing Charge Figure and Property Expense Ratio, than the average return of the IA UK Direct Property Sector over any five-year period solely through investment in M&G Property Portfolio. The underlying fund invests into a relatively small number of assets, or into individual countries or a specific market sector. Such concentrated portfolios give rise to more risk than where investments are spread across a larger number of assets, countries or market sectors. The underlying fund may be denominated in or hold assets in a currency other than Sterling. The performance of the fund may therefore rise and fall as a result of exchange rate fluctuations. The underlying fund invests in bonds or money market instruments (including deposits with banks or other financial institutions). The yield and/or value of the fund will fluctuate as interest rates change. There is a possibility of default, reducing capital values. The underlying fund, or some of its underlying...
